OKIOFFICE *87*

OKIOFFICE

OKIOFFICE *87*

TECHNICAL FEATURES

Digital LED Page Printer

- Advanced Digital LED technology
- 8 pages per minute output
- True 600dpi resolution

Digital LED Plain Paper Fax

- 33.6k modem/MMR coding
- 3 seconds/page transmission
- Dual access
- Up to 300dpi transmission resolution
- 10 one-touch, 100 speed dial and 5 group dials
- 2MB memory (approx. 160 pages)
- PC faxing

Scanner

- TWAIN compatible
- Integrated OCR
- 300dpi resolution
- 6 seconds/page scanning

Copier

- 8 copies per minute
- 50 page multi-copy capability
- 2-up and 4-up copying (via software)
- 64 grey scales

Document Management

- Print from any application
- Send faxes from PC
- Manage incoming communication - receive e-mails and faxes into PC (via optional Unimessage Pro Full & Network versions)

Major Applications

Multiple, high-quality operations from a single, compact device make **OKIOFFICE** *87* the perfect choice for professional users working in a small or home office, for corporate users working from home, or for any situation where space is at a premium. For personal business users, it's quick and easy to print reports, fax, copy, scan and manage all types of business documents from one machine. Yet performance is not compromised: **OKIOFFICE** *87* handles key office functions with the speed and quality you'd expect from a whole row of stand-alone devices, and brings the added value of Oki's well-proven technology.

Specifications

- Type - Integrated Multi-Function Peripheral for Digital LED page printing, faxing, copying, scanning and document management
- Phone - Public Switched Telephone Network (PSTN)/PBX (direct line switchboard)
- Modem - 33.600 standard with automatic fallback to 14.400, 12.000, 8.800, 7.200, 4.800 and 2.400 bps
- Modem option - 64.400 ISDN
- Data compression - MH, MR, MMR,
- Compatibility - G3, G4 compatible with ISDN option
- Transmission speed - 3 seconds/page, 1.5 seconds with ISDN option
- Oki Digital LED Engine - Superior quality and reliability
- Printing Speed - 8 pages per minute
- Document Feeder - 20 sheets
- Recording Paper - 100 sheets
- Document size - A4
- Power consumption - <0.5w in power save mode
- Year 2000 compliant
- Dimensions - 316mm x 383mm x 190mm (W x D x H)
- Weight - Approx. 8kgs
- Win 2000, Win 95, 98 and NT 4.0 compatible

OKIOFFICE *87*

Digital LED Multi-function Peripheral

Multiple functions, uncompromising performance

OKIOFFICE *87*

The **OKIOFFICE** *87 puts a complete range of office functions on your desktop – printing, faxing, copying, scanning, Internet communication and document management – providing busy professionals and home office users with new efficiency and value from a single, compact machine.*

Along with the convenience of integrated functions, **OKIOFFICE** *87* has powerful features to outperform other multi-function peripherals of its class for speed, quality and ease of use. It includes a large memory and high-speed transmission capability, plus ISDN Network and Internet connectivity options – so you can work quickly and efficiently while saving time, space and cost.

Uncompromising performance

As well as amazing 4-devices-in-1 versatility, **OKIOFFICE** *87* delivers performance that's unrivalled in machines of its size. With its 8ppm print engine, 33.6k modem that transmits a fax page in 3 seconds and 8 copies a minute, 6 seconds per page scanning, **OKIOFFICE** *87* packs the power you need to cut through a whole range of office tasks at a low cost-per-page.

Sharp, high-quality printing

OKIOFFICE *87* produces 600dpi printing at 8 pages per minute – delivering the crisp, clear results that give your documents a professional advantage. Just as important, it is based on Oki's unique digital LED technology, so along with quality output you get peace of mind from high reliability and low running costs.

Fast faxing

Rapid transmission via a 33.6k modem helps reduce phone charges, while you work quickly and efficiently with features such as 100-sheet paper capacity, 20-sheet automated document feed, broadcast capability, and one-touch dialling and speed dialling. In addition, a large 2MB memory stores up to 160 pages if you run out of paper. A convenient 'instant dial' feature means you can send a fax while scanning, and you can also fax documents direct from your PC (using your Windows desktop and any class one PC fax software).

Convenient copying

Suitable for most convenience copier needs with a speed of up to 8cpm, sharp 300dpi output, and a 50-page multi-copy capability. The **OKIOFFICE** *87* features 25%-200% reduce/enlarge, and 2-up and 4-up copying, enabling the user to condense reports and save paper.

Rapid scanning

Scan documents and images directly into PC OCR applications and turn scanned images into editable files without re-typing. **OKIOFFICE** *87* puts advanced functions at your fingertips: it completes your tasks quickly and efficiently, always ready to handle the next job.

Efficient internet connectivity

OKIOFFICE *87* offers an easy way to organise and manage all your documents. It helps you print from any application, fax paper and electronic files, send paper documents by email, receive email, and turn paper documents into files for editing.

Environmentally friendly

Environmental factors are a high priority for Oki's designers, so the **OKIOFFICE** *87* uses just 0.5W of power on standby, and like all Oki products, its operation is virtually ozone-free.

Network Solutions for a Global Society

Oki's innovative products are designed to help you improve the quality of your communications and make your work easier and more efficient.

With **OKIOFFICE** *87*, you'll enjoy the best in integrated desktop functions - backed by all the support and resources of a major international company.

Major applications

Multiple, high-quality operations from a single, compact device make **OKIOFFICE** *87* the perfect choice for professional users in a small or home office, corporate users working from home, or wherever cost-efficiency, performance and space are of prime concern. Quick to set up and easy to use, **OKIOFFICE** *87* lets you print reports, fax, copy, scan and manage all types of business documents from one machine.

OKIOFFICE *87* offers a no-compromise approach: it handles key office functions with the speed and quality you would expect from a whole row of stand-alone devices, and brings the added value of Oki's well-proven technology.

OKIOFFICE
